Tasting Notes: This bold Cabernet begins with aromas of blackberry, vanilla and coffee, followed by layered flavors of black cherry, dark plum and sweet spices. Structured by fine, firm tannins and well-integrated acidity, we love to pair this food friendly wine with grilled beef or portabella mushroom dishes.

Winemaker Notes: The 2019 vintage in the Columbia Valley was shaped by cooler than usual weather, beginning with a moderate spring that led to a later bud break than past years. Temperatures throughout the summer remained temperate and mild. This allowed the grapes to ripen slowly and develop great concentration of flavor, while maintaining bright, balanced acidity.
