Tasting Notes: Enticing fresh apple, honey, jasmine, and peach aromas create a delightfully refreshing experience. With tropical lychee undertones and a subtle touch of spice, this wine offers a truly enjoyable sip. An excellent complement to lighter meals or spicy cuisine. Fabulous as an aperitif or enjoy a chilled glass any time of day.

Winemaking: We start with high-quality traditionally made wine, then use our very low-temperature spinning cone column vacuum distillation system to remove the alcohol and maintain the wine's lush flavors and satisfying mouthfeel. No added flavors or colors are used. This method preserves an enjoyable wine experience without the alcohol.
